

LIFETIME MAINTENANCE PLAN

This is a new and innovative scheme that covers so many of the concerns of owners and protects them so thoroughly from the possibility of huge expenses -

It enables the owner of an older Porsche bought from Hartech, to pay a small regular amount that not only covers all servicing and annual MOT costs, but also puts themselves and ourselves in the same position, both working to minimise the cost of ownership while attending to proper preventative maintenance as required by intercepting problems at the right moment and before they escalate in cost.

It covers wear and tear items as well (water pumps, belts, brakes etc) and always tries to replace parts before they actually fail, improving reliability and reducing down time.

In summary, the key features are:-

- Small regular payments covering future Servicing, MOT and labour costs for repairs and replacements.
- Priority booking.
- Wear and tear items covered as well i.e. water pumps, belts, brakes etc.
- Unlimited repair costs or frequency of claims.

mileage	6000	12000	18000	24000
944, 996, Boxster & Boxster S	£44 (£55)	£55 (£72)	£88 (£110)	£121 (£155)
944 S2 & 968	£50 (£64)	£66 (£85)	£105 (£132)	£138 (£187)
944T, 993, 996T, GT2 & GT3	£60 (£77)	£75 (£95)	£115 (£150)	£143 (£187)
911 3.2	£62 (£82)	£82 (£105)	£120 (£157)	£165 (£215)
911 964	£72 (£93)	£105 (£137)	£150 (£192)	£200 (£258)
